Important Dates

January 12th & 15th
SCHOOL & ASES "Hawk Club"
CLOSED

What's Happening

Mondays

We will be working on a Publishing Unit every Monday from 1:15-2:15pm. Students will be writing and illustrating their own fables. In order to receive a free printed class copy of our completed works, we will need permission slips signed for every student. We will be sending these permission slips home soon. These permission slips will also provide the opportunity to order your own copy of your student's work, but ordering not required.

Fridays

We will be offering three club options from January 19th – February 23rd. These clubs will be held from 3:45-4:45pm. We will ask your students their club preference and do our best to accommodate their first choice. Once a club is selected, students will attend their selected club for the entire club period (5 weeks), meaning they cannot change clubs once they have started.

Thank you!

Thank you **ALL** for your holiday gifts!
We appreciate your kindness!

Donations

Thank you to Scarlett & Holly, Shaira, Angie & Anna, Jules & Jiji, Reece, Chris, Kai & Halle, Roland & Alyssa, Victoria, Vince, & Valerie, Sammy & Mia, Isayah & Aaliyah, Emma & Evy, who made donations to our Winter Celebration on the last day before break! We could not have had such an amazing time without your generosity.

Homework

We provide one hour of homework time, Monday through Thursday, at ASES from 3:45-4:45pm. However, for some students this may not be enough time to complete their assignments. We do offer additional "study hall" time from 4:45-5:30pm. With this in mind, please continue to check your student's homework daily for accuracy and completeness.

Technology Club

Students will learn photography and photo editing skills using chromebooks and iPad minis. Students will also have the opportunity to engage in computer gaming competitions, advancing their understanding of computer basics.

Kickball

Similar to baseball, this playground favorite is played with traditional baseball rules and a few extra quirky rules mixed in. Instead of a bat and ball, students kick, catch, throw and dodge an 8" playground ball. Students will develop their gross motor skills and learn to work as a team.

Drama

This club will support students' imagination, creativity and expression, while developing their self-esteem and individuality, through acting games, basics, and short skits.
